WHO ARE OUR PRINCIPALS ?

From Multinational Corporation to small business entities, ACC specializes in improving the export sales of the companies whose products and services are marketed in the following aviation industries:

- ☑ Original Equipment Manufactures (OEMs)
- ☑ Maintenance Facilities, Commercial & Military
- ☑ Airlines
- ☑ Airports

WHAT CAN WE OFFER TO OUR PRINCIPALS ?

Reducing Export Sales Expenses By:

- Maintaining affiliated offices that specialize doing business locally
- Limiting frequent traveling expenses
- Offering a well balanced package (The products and services are complimentary to one another)
- Eliminating the middleman, therefore avoiding business complications.

Increasing Export Sales By:

- Ensuring our presence on the customer's bidders' list
- Assisting our clientele on behalf of our principals at all level with:
  - ☑ Proposal
  - ☑ Business Negotiation
  - ☑ After sale services
  - ☑ Letter of credit troubleshooting
  - ☑ Shipping & Handling
  - ☑ Communications
  - ☑ Multicultural staff training
- Upgrading existing customer's technical information on the new products released by the principal.
- Identifying new projects and ensuring the principals' presence on the relevant specification.

WHAT CAN WE OFFER TO THE CUSTOMERS OF OUR PRINCIPALS ?

Fulfilling Operations Needs by:

- Our extensive, carefully selected global network of manufactures and service organizations.
- Integrating the latest product information between our manufactures and our customers.
- Overcoming technical problems with products and services on a daily basis.
- Streamlining the purchasing process.

Reducing purchasing and Operating Costs by:

- Offering better pricing structure
- Offering better payment term
- Establishing direct credit lines
- Coordinating business negotiation

ACC is Supply centre for:

Corrosion Prevention and Control Program (CPCP)

ACC Scope of activities is as follows:

Surface Treatment Chemicals & Equipment

METAL PROCESSING AND CHEMICAL MILLING
- Cleaners
- Alkaline Etchants
- Deoxidizers
- Conversion Coatings
- Maskants

JET ENGINE CLEANING
- Hot Line
- Cold Line
- Compressor Wash
- Accessory Shops

AIRCRAFT PARTS CLEANING
- Wheel and Brake
- Landing Gear
- Removed Components
- Steam Cleaning

AIRCRAFT DEPAINT/REPAINT SYSTEMS
- Paint Strippers
- Cleaners
- Acid Etchants
- Conversion Coatings

BIOSTABLE COOLANTS
- Synthetics
- Semi-Synthetics
- Higher Oil Content Semi-Synthetics

AIRCRAFT PROTECTION
- Temporary Protective Coatings
- Temporary Protective Coating Removers

NON-DESTRUCTIVE TESTING PRODUCTS
- Penetrants - Water Wash
- Penetrants – Post Emulsifiable
- Developers
- Emulsifiers

AIRCRAFT APPEARANCE
- Exterior Cleaners
- Flap & Wheel Cleaners
- Dinol Removers
- Polish
- Interior Cleaners

AIRCRAFT TOILET SYSTEMS
- Toilet Deodorants
- Tube Cleaners

CLEANING EQUIPMENT
- Ultrasonic Systems
- Proceco Wheel Cleaner
- Automatic Immersion Systems
- Turco Low Profile Turbulator Tank
- Paint stripper transfer pump

ALODINE SERIES

AIRCRAFT PAINTS
- Epoxy Primers
- Polyurethane Primers
- Wash Primers
- Epoxy Topcoats
- Polyurethane Topcoats
- Abrasion Resistant or Walkway
- Coatings
- Composite Coatings/Primer Surfacers
- Conductive Coatings
- Fuel Tank Coatings
- High Heat or Insulation Coatings
- Interior Cabin Coatings
- Specialty Coatings
- Wing Coatings

AIRCRAFT SEALANTS
- Aerodynamic and Weather Proofing Sealant
- Conductive and Insulating Sealant
- Firewall Sealant
- Fuel Tank Sealant
- Windscreen Sealant
- Specialty
- Adhesion Promoters
- Jointing Compounds

AIRCRAFT ADHESIVES
- Structural
- Nonstructural
- Epoxy Film Adhesives
- Syncore Symtactactic Films

AIRCRAFT TAPES
- Thread Sealant Tape
- Flame Retardant Glass Cloth Tape
- Vinyl Electroplating Tape
- Rivet Tape
- Cargo Pit Seam Tape
- Flame Retardant Carpet Tape
- Flame Retardant Glass Cloth Tape
- Grit-Grade Non-Slip Tape
- Vinyl Tape (printed surface)
- Vinyl Tape (unprinted surface)
- Aluminum/Cloth Laminated Tape
- Aircraft Paint Masking Tape
- High Performance Masking Tape
- Ultra High Temperature Masking Tape
- Aluminum Foil Tape
- Plasticized P.V.C. Tape
- Heavy Duty Plasticized PVC Tape

COMPOSITE & ENGINEERED MATERIALS
- Honeycomb Metallic
- Honeycomb Non-metallic
- Prepreges
- Aircraft Floor Panels
- Aramid Fabrics
- Carbon Fabrics
- Bagging Films
- Release Films
- Release Fabrics

SERVICE ITEMS
- Abrasive Pads
- Blasting Media
- Greases
- Oil & Lubricants
- Turbine Oils – Piston Engine Oils

All products meet the relevant OEM, military and/or airline maintenance specifications.

ACC has designed and produced her own aviation software program.This exclusive Hi-Tech tool enables ACC to operate commercially and technically on over 1000 line items.
